

KINGLAKE CARS & COFFEE

7-3-2021

What a great day, I arrived at Whittlesea and parked the Cusso and went into the Coffee shop and was ushered to our reserved table where I placed my order.

Mick Breheny & Kevin Mulroney were next to arrive and not far behind them was Paul Cattach & his brother Keith, so we all tucked in to a hot cuppa and chatted. Photos were taken before heading up the mountain to Joe Faralla's place to have a drive around the rose garden and have a look at the wreck. Joe hopped into Micks car for the trip into Kinglake where we parked and there was people coming and admiring our line-up.

We then went for eats & drinks in the Café and chatted some more before a walk around Kinglake to see some of the other cars. We finally arrived back to our cars and chatted some more before Paul & Keith said their OOROO's and headed off. Joe had gone to buy some supplies from a shop. When he returned we headed back to Joes place and went around the rose garden again before saying OOROO's and driving back down the mountain.

Mick was heard to say he enjoyed the day. So it must have been good. Prospective member Keith seemed to fit in well and he got a membership form so let's all make him welcome with his Victoria. Catch ya on the next lap.

Polish & drive the Cusso. Graeme Bushby.
