

# LYGON ST CRUISE

Sunday 14/03/21 started bright & early with light rain. I left home about

6.40 am to meet up at our pre-arranged place at the BP Cooper St, Somerton. I arrived at about 7.20 am to be

greeted by Rob Breheny who was ordering a hot coffee so I placed an order for same and not far behind came Mick Breheny & Kevin Mulroney and they

placed orders for a coffee. We chatted and drank our coffees and at approx 8 am we were on our way to Lygon St. We parked

the Cusso's and took some photos and talked to people who stopped and took photos of the Cusso's.

We went for a wander around looking at some

of the other cars and then went to a cafe for breakfast. Now about the three Amigos, as you can see from the pics, (they played with the camera), boys will be boys. After a bit more wandering

around we then decided to cruise to Robs place for a technical education course on Cusso's. All in all it was a great morning and we all agreed that we would do it again. Catchya on the next lap. Polish & drive the Cusso. Graeme Bushby.
